WESTCHESTER BUSINESS CONNECTION

when you benefit, we all benefit…

We at the Westchester Business Connection believe in networking through face-to-face events. In addition, we provide the opportunity for interested parties to interact online via profiles, message board, articles and resources. No membership is required. Come to as many events as you like! We are seeking serious professionals looking to promote their businesses. The Westchester Business Connection is an association where all money raised benefits the association - not any individuals. We serve Westchester County and the surrounding New York area.

HOW CAN OUR WEBSITE BENEFIT YOU?

GET AN ONLINE PROFILE IN OUR MEMBER DIRECTORY

How can you get your business listed? You can either sell twenty 50/50 raffle tickets ($5 per ticket) to get your listing at no out-of-pocket cost to you; or you can just pay a $100 advertising fee (should you choose this option, we will enter twenty 50/50 raffle tickets in your name for you!). The winner of the 50/50 drawing will be announced at the September 24th WBC event (location TBD). Your business will be listed on our website for ONE FULL YEAR as soon as we receive the $100 listing fee.

USE OUR CALENDAR

Our online calendar lists all of our upcoming events. You can also submit your own events to our calendar. If approved they will be displayed for all of our members to see! This is a great way to promote any seminars or speaking events you may be involved in!

JOIN OUR MAILING LIST

If you're not already on our mailing list, go to our site and sign up! We will send emails approximately every ten days to inform you of upcoming events and fill you in on how our past events turned out!

DONATE A RAFFLE PRIZE AT OUR NEXT NETWORKING EVENT

Not only will your business name and contact info be included in the recap email blast, but you will also get a big thanks on our homepage. Your name, business name and contact info will be displayed on the homepage of our website for about a month! And that may even give your own website a bit of a boost in search engine rankings!
